DM PREMIUM is a privately held marketing and distribution company focused on building a proprietary portfolio of high-value pharmaceutical and CE products in Baltic countries and pursuing partnerships with other companies seeking to enter the Baltic pharmaceutical market.

DM PREMIUM aims to be the preferred partner for pharmaceutical, medical devices and food supplement companies seeking to maximize their opportunities in this territory and other selected markets.

DM PREMIUM is well positioned to efficiently register and commercialize specialty products partnering with international companies in a wide range of therapeutic areas and market settings. DM PREMIUM's areas of interest first include therapeutic solutions in ophthalmology, otorinolaringology and general medicine.
